## **DETAILED ACTION**

## Response to Amendment

1. The reply filed on 3-26-02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Claims 1-19 were withdrawn from consideration as being drawn to a non-elected invention. Accordingly, the amendments made to claims 2, 4-5, 7, 9, 11-12 and 15 are not proper since they are directed to withdrawn claims. See MPEP 821.01-821.03 & 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). Any inquiry concerning this communication or earlier communications from the examiner should be directed to Burton S. Mullins whose telephone number is 305-7063. The examiner can normally be reached on Monday-Friday, 9 am to 5 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nestor Ramirez can be reached on 308-1371. The fax phone numbers for the organization where this application or proceeding is assigned are 305-1341 for regular communications and 305-1341 for After Final communications. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 308-0956.
